

SCHOOL OF DENTISTRY

UNIVERSITY OF MICHIGAN

Clinical Assistant Professor Division of Periodontics, Department of Periodontics and Oral Medicine

The University of Michigan School of Dentistry is seeking applications and nominations for 2 full-time clinical track faculty at the rank of Clinical Assistant Professor in the Division of Periodontics, Department of Periodontics and Oral Medicine (POM).

Qualifications include teaching experience, clinical proficiency in periodontics, and potential for scholarly activity. The candidates shall demonstrate a passion for predoctoral education, the ability to apply technology to enhance teaching and learning, and the desire to exercise interdisciplinary collaborations. The school and POM are fully engaged in supporting a model for dental education that includes the incorporation of innovative technologies in education, interdisciplinary education and patient care, and evidence-based dentistry. Qualified candidates may aspire to become the periodontal predoctoral director.

POM has an active mentorship program and provides ample opportunities for career development and national/international networking. Opportunities are also available for participation in either intramural faculty practice or extramural practice. Salary and level of academic appointment will be commensurate with qualifications and experience.

Candidates should have a DDS/DMD degree or equivalent and the ability to be licensed in the State of Michigan. Board eligibility or certification by the American Board of Periodontology is desirable.

Applicants should submit their curriculum vitae, statement of interests and goals, and names of 3 references via the secure website: <https://dent.umich.edu/about/faculty-recruiting>. Questions for the search committee should be directed to Dr. Hsun-Liang (Albert) Chan, Search Committee Chair, c/o Ms. Kim Huner at kimhuner@umich.edu.

Further information about the Division of Periodontics in the Department of POM may be obtained by consulting the department website at: <https://dent.umich.edu/about/periodontics-oral-medicine>.

The University of Michigan recognizes and values contributions to diversity, equity and inclusion (<https://diversity.umich.edu>). We encourage applicants to comment in their cover letter and their statement on how their experience and leadership have contributed to enhancing diversity, equity and inclusiveness or their potential to make contributions in this area.

Applications will be accepted beginning November 29, 2021 and evaluated on an on-going basis until the position is filled.

The University of Michigan conducts background checks on all job candidates upon acceptance of a contingent offer and may use a third-party administrator to conduct background checks. Background checks will be performed in compliance with the Fair Credit Reporting Act.

The University of Michigan is an Equal Employment Opportunity/Affirmative Action Employer.
