Clinical Track Faculty Position in Oral and Maxillofacial Surgery
Oral and Maxillofacial Surgery / Hospital Dentistry

The University of Michigan School of Dentistry is seeking applications and nominations for a full-time clinical faculty position as an assistant professor in the Department of Oral and Maxillofacial Surgery. Responsibilities will include direct patient care, predoctoral and postdoctoral didactic and clinical teaching, scholarly activity, as well as engagement in university service at the department, school and university levels. Clinically, care focus will be provided in the area of pediatric craniomaxillofacial surgery. The ideal candidate should have excellent clinical and interpersonal skills, be passionate about surgical education, and have an interest in leadership opportunities. It is anticipated that the candidate will be given a joint appointment in the section of Plastic and Reconstructive Surgery at Michigan Medicine and be one of a team of surgeons building a collaborative multidisciplinary group to care for pediatric cleft and craniofacial patients as well as all other aspects of pediatric craniomaxillofacial surgery.

Academic rank will be as an assistant professor and salary will be commensurate with qualifications and experience. Required qualifications include a DDS/DMD or equivalent degree, board certification/board eligibility in Oral and Maxillofacial Surgery, and successful completion or current enrollment in a CODA accredited or commensurate level fellowship training program in Pediatric Craniomaxillofacial Surgery (Cleft and Craniofacial Surgery). Candidates should be eligible to acquire a license to practice dentistry in the state of Michigan.

Applicants should submit a curriculum vitae, statement of interests and goals, and names of three references via a secure website: https://dent.umich.edu/about/faculty-recruiting. The University of Michigan recognizes and values contributions to diversity, equity and inclusion (DEI) (https://diversity.umich.edu). We request applicants write a DEI statement on how their experience and leadership have contributed to enhancing diversity, equity and inclusiveness or their potential to make contributions in this area.

Questions may be directed to the search committee chair: Sharon (Ron) Aronovich, DMD, FRCD(C), Clinical Associate Professor, (734) 763-5963, saronovi@med.umich.edu and Kim Huner, search committee staff member, kimhuner@umich.edu.

The University of Michigan conducts background checks on all job candidates upon acceptance of a contingent offer and may use a third-party administrator to conduct background checks. Background checks will be performed in compliance with the Fair Credit Reporting Act. COVID-19 vaccinations are required for all University of Michigan students, faculty and staff across all three campuses, including Michigan Medicine.

Applications will be accepted and evaluated on an on-going basis until the position is filled.
