

SCHOOL OF DENTISTRY

UNIVERSITY OF MICHIGAN

University of Michigan – School of Dentistry Clinical Track Assistant/Associate Professor of Prosthodontics Department of Biologic and Materials Sciences & Prosthodontics

The University Of Michigan School Of Dentistry is seeking applications and nominations for a full-time, clinical track faculty position at the assistant/associate professor level in the Department of Biologic and Materials Sciences & Prosthodontics.

Candidates must have a DDS/DMD or equivalent degree and a certificate from a post-graduate prosthodontic program. American Board of Prosthodontics eligibility or certification is preferred. A proven record of teaching experience and research to complement the department objectives is desirable. Additionally, involvement in the school's faculty practice is available and encouraged. Responsibilities will focus on predoctoral didactic teaching and pre-clinical/clinical instruction. The salary and rank will be commensurate with experience and credentials.

Further information may be obtained by visiting the department website at <https://dent.umich.edu/about/biologic-and-materials-sciences-prosthodontics-bmsp>.

Questions regarding the position description and responsibilities should be directed to the search committee chair, Berna Saglik, Clinical Associate Professor at bernats@umich.edu. For other questions regarding the application or search process, please contact Melanie LaPointe at melp@umich.edu.

Applicants should submit curriculum vitae, statement of interest and goals, a statement on Diversity, Inclusion and Equity and names of three professional references via a secure website: <https://dent.umich.edu/about/faculty-recruiting>. Applications will be accepted and evaluated on an on-going basis until the position is filled.

The University of Michigan conducts background checks on all job candidates upon acceptance of a contingent offer and may use a third-party administrator to conduct background checks. Background checks will be performed in compliance with the Fair Credit Reporting Act.

Women and Underrepresented minorities are encouraged to apply. The University of Michigan is supportive of the needs of dual-career couples and is an equal opportunity/affirmative action employer.
