

Fees for Faculty taking the 2023-2024 CDCA-CIF Examination

1. CDCA site use fee - \$750 (mandatory for all candidates)

All non-dental student CDCA candidates must pay this fee even if you decide to bring instruments from other sources. The \$675 is due by October 1, 2023 and is payable at Dental Stores. This fee allows the candidate access to the predoctoral instrument/supply system and includes use of all necessary handpieces, instruments, materials, and staff services for the manikin and clinical CDCA examinations. Dental students do not pay this fee as they already pay a substantial yearly instrument usage fee. Please note that this fee is significantly less than similar fees charged at other dental schools.

2. Manikin practice session - \$625 (optional)

Any faculty member wishing to attend the manikin practice session with the D4 students will need to pay a \$625 fee for materials and instruments. **This fee is due when you pick up your instruments from Dental Stores.** Dental students are assessed this fee as part of their senior year tuition and fees.

For this fee, you will be provided the following:

- 24 Practice teeth (Endo & traditional)
- 8 Restorative teeth
- 26 Burs (Diamonds)
- 4 Burs (Endo)
